

MOTION BY SUPERVISOR GLORIA MOLINA

June 19, 2007

On Tuesday, June 12, 2007, this Board received a verbal report from the Director of Health Services and the CEO of MLK-Harbor Hospital regarding investigators' findings of numerous violations of the Emergency Medical Treatment and Active Labor Act and a finding of "immediate jeopardy" by CMS and the State regarding patient treatment in the hospital occurring in February and May of this year. At that time, we had not received the "immediate jeopardy" letter from CMS—we have now.

I, THEREFORE, MOVE that this Board:

Require the Director of the Department of Health Services to present a full report on the status of the state and federal investigations of MLK-Harbor Hospital, including a report on the latest "immediate jeopardy" letter from CMS, the DHS response, timelines, the corrective action process, changes made at the hospital, next steps, and implications of these findings, at the June 19, 2007 public Board meeting.
